ASPIRING IOT AND AI SPECIALIST

Innovative and proactive B.Tech pursuing in Artificial Intelligence and Data Science seeking a dynamic role within a forward-thinking organization as an IoT Specialist or AI Analyst. Bringing hands-on experience from internships, side ventures, and hackathons, I excel in data-driven strategic planning, logical analysis, and critical thinking. With strong communication and interpersonal skills, I am adept at delivering constructive feedback and collaborating effectively within cross-functional teams. Committed to leveraging AI and IoT technologies to drive impactful solutions and make a significant societal impact.

KEY COMPETENCIES

Constructive feedback	Writing and Presenting skills	Teamwork
Data-driven strategic planning	Critical thinking skills	Mentorship
Logical analysis	Excellent communication skills	Quick Learner

PROFESSIONAL EXPERIENCE

Jul 2022 - Sep 2022

Calibers Infotech

Intern
